### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose a projectile for use with a wireless neuromuscular disrupter gun and method of using such a projectile, the projectile containing liquid and having a capacitor contained within the projectile housing, at least a portion of the liquid being capacitor liquid and providing either the capacitor dielectric or the capacitor plates, the capacitor liquid being separated by at least one separator, the projectile capacitor being charged while the projectile is inside the gun prior to being fired, the housing of the projectile bursting upon impact with a target and emitting liquid charged by the capacitor thereon.

2. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 703 308-
